GUIDE TRACKS

We will create a guide-track with voice, click, rhythm section, and lead parts for your instrumental ensemble to record their performance tracks along with:

Big Band	\$350/track
String Orchestra	\$300/track
Concert Band	\$500/track

AUDIO/VISUAL MIXING

We will mix your students' individual performance videos to create virtual ensemble "concert" videos to share with your community:

\$700/ video (1 song)

\$1800/ three videos (3 songs)

After you submit PDFs of the sheet music and your preferred tempo, your guide track will be ready in about 1 week.

After you share all of the students' videos via Google Drive (with sharing permissions granted), your concert video will be ready in about 3-4 weeks.
